What Others Are Saying About DeWayne Owens

Rather than providing our members with a never ending commercial, you provided tangible and creative methods for building confidence and improving performance. Without reservation, my colleagues and I would recommend your firm to any organization that is serious about professional and personal development.

Dana Michael Bruce, President
Conference of Minority Public Administrators

I have listened to many motivational speakers over the years and I must say that your message was one of the best I have heard in quite some time. Many of the members came to me this morning to let me know how much they really enjoyed you. The entire department appeared to be uplifted.

Greg Buell, Collections Manager
Auto One Acceptance Corporation

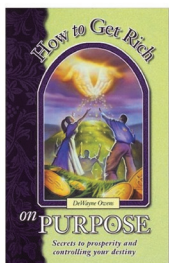

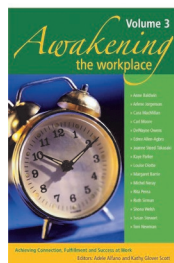

Your presentation was very well received, motivational, and inspirational. I have only heard great things from those who attended. From the surveys I read, many listed your presentation as the most helpful.

Natalie M. Johnson, Workforce Development Planner
Frontliner's Conference

10 Powerful Questions To Ask Yourself Before Considering DeWayne Owens As Your Next Speaker

1. Would your company benefit if your employees were more motivated to perform?
2. Would your company become more effective if your team members learned to work better as a unit?
3. Would the customers you serve become more loyal if better customer service were provided?
4. Would your company be more productive if they had the tools to develop their productivity on the job?
5. Would your company excel under a higher level of effective leadership?
6. Would your company function better if your employees were more accountable for their roles on the job?
7. Would the production of your company increase if the level of stress your employees felt decreased?
8. Would the transitions in your company go much smoother if your team were more open to embracing and executing change?
9. Would your company improve if business objectives and goals were met on time?
10. Would your company be a more enjoyable place to work if employee morale were higher?

If you answered yes to any of these questions, DeWayne Owens' programs absolutely delivers in filling the void in your company's challenges.
